Mr. Saw Mill Man

Don't overlook the fact that you are in business to make a living and not for pleasure. The Knight Saw Mill is the "up-to-the-minute Mill."

It is not loaded up with useless cast iron and other useless parts.

The Head Blocks, Dogs, &c., are made of Steel Channels, I Beams and Angles.

The result is a carriage which is light and at the same time strong, which can be handled with ease and rapidity.

The Knight Variable Belt Feed is a little ahead of the present minute; and as to Knight Dogs—well, "Nuf Ced." Every body knows them.

Let us help you with that living you are making, by selling you a Knight Mill. We can also sell you the Engine and Boiler to run the mill.
